

Celebrating ST. CLARE

Our Bridge to the Future

THIS IS IT ...

As March 12th fast approaches, we ask you to remember that our auction relies on community support to raise over \$100,000 for our school and preschool. This money is critical to bridge the gap between tuition revenue and operating cost. Without the funding raised through the auction, St. Clare would be forced to raise tuition. And as you know, in this economic environment, this would place a huge financial burden on many families (to the tune of nearly \$500 more per family). We need you to act today. So please register, buy a raffle ticket, and consider a donation to help make this the best benefit auction ever!

To those who have already contributed: thank you so very much! If you have not yet had the chance, please get involved by registering, donating, and helping in any way you can. Questions? Please contact Mike Hagel (mike@hagel.com) or Jay Booth (jay.booth@cushwake.com).

Donate Today ...

The procurement contest is well underway, and now is the time to finish submitting your auction donations. The contest ends February 28th so please consider what you can procure or donate today! Donations can be dropped off at school, or made on-line at <https://saintclare.ejoinme.org/auction> and click "donate an item."

Check us out on-line and on March 12th.

Thank you St. Clare!
