Letter from our Priest

Welcome to our School and Preschool's biggest fundraiser of the year! This year's auction theme, The Year of the Dragon, reminds us to celebrate our children and their dragon mascot, as well as everyone who makes a Catholic education at St. Clare School and Preschool possible.

Without the concerted support that this auction receives from our parents, the entire parish community, local businesses, and other friends of both schools, the financial cost of a high quality Catholic education would put such an opportunity out of reach for a large portion of our student bodies.

“Propitious” is a word that comes up a lot in connection with the recently-begun Year of the Dragon in the Chinese Lunar Calendar. Here's the entry for “propitious” in the online students' dictionary affiliated with Merriam-Webster*:

1: giving favorable signs of the success of something to come:
PROMISING; 2: likely to produce good results (a propitious undertaking)

Through the intercession of St. Clare may we once again enjoy this special time together and make this a most propitious auction!

Your brother in Christ,
Fr. Charles Wood, Pastor

Letter from the Principal

Dear Parents, Parishioners, and Friends
of St. Clare,

It is with immense excitement that I welcome you to the 2012 St. Clare Benefit Auction! Thank you for joining us as we **get fired up** to celebrate . . . ***The Year of the Dragon!*** Our students at both our school and preschool truly deserve a bright and promising future. This auction is our opportunity to pave the way to making that future the best it can possibly be. Tonight we come together in support of St. Clare School and Preschool as we lift up our most precious gifts—our children—as they make their journey toward all the world has in store for them.

Tonight's paddle bids support two important causes: tuition assistance and technology upgrades. Tuition assistance allows us to ensure that families who hope to provide a St. Clare education for their children have the opportunity to do so. It allows us to keep our students and parents in our St. Clare family, strengthening that sense of community that is truly what we are about. Also, in order to provide our students with the best educational opportunities possible, upgrading and increasing our technology resources is imperative. Providing our teachers with technology tools such as document cameras, a SmartBoard for the art room, and iPads that will interface with each SmartBoard will enhance instruction and enrich our children's learning experience.

Continued on page 8

Thank you for your generosity in support of these two very necessary causes.

Tonight we celebrate not just the here and now, but the future—the future of our children, the future of St. Clare School and Preschool, and the future of our community. We celebrate the efforts of so many who have tirelessly and selflessly made this evening possible in support of our children, and we celebrate the gentle care of our God who continues to shower us with abundant love and so very many blessings. Thank you for your steadfast support. Have a wonderful evening!

With much appreciation,

Debbi Monahan

Letter from the Preschool Director

Dear Friends and Family of St Clare
Preschool, School and Parish,

Thank you for taking the time to come and join us tonight. We hope that everyone enjoys their evening, makes new friends and has a chance to renew old acquaintances. In the last few years the preschool has thoroughly enjoyed being a part of the auction, and this year is no different. Being a part of this annual event has allowed us to participate in a wonderful community experience, while receiving enhancements to our preschool program. This past year we were able to provide additional professional development opportunities for our faculty and staff. We appreciate the opportunity to continue to support our employees in their endeavors and give them the experiences that will increase their personal and professional growth. We were very grateful to increase our funds available for our tuition assistance program; we were able to provide tuition assistance to nine of our preschool families who could not otherwise afford a Catholic preschool. We continue to be pleasantly surprised and extremely appreciative of the generosity of this community.

This year we will be sharing the paddle bids with the elementary school again. One of our goals this year will be to provide much needed technology enrichment to our program. To stay up to date in this day and age is imperative. Our program will be able

Continued on page 10

to update our computer systems in our classrooms and allow for better communication between our staff, classrooms and the families we serve.

There will be a second paddle bid for tuition assistance. It is our hope that we can continue to support and assist those families who want for their child the experience of our nurturing environment, without having to worry about the financial strain. St Francis of Assisi said “It is in giving that we receive”. Your generosity over the years has been felt and graciously accepted by the preschool and has impacted well deserving families. Thank you!!

On behalf of our students, families, teachers and staff, we offer a heartfelt thank you to Colleen O’Mahony and the fourth grade class, many of whom started their St Clare journey in the preschool, for taking on the task of this amazing event that benefits so much to so many. We would also like to thank the long list of volunteers, parents, staff and community members that donate their time and energy to make this evening a success year after year.

Most of all, we want to thank all of you, the generosity of everyone in the room, which will make dreams for our community, our children and families come true, and have a lot of fun in the process. Thank you, Thank you, Thank you!

With sincere gratitude,

Nancy Melzer

Auction Chairs Paul Privitera & Kevin Tyree

Dear St. Clare Family and Friends,

Welcome to the 19th annual St. Clare Benefit Auction! We are so glad that you all could join us tonight at the Tiffany Center to share a meal, great company, entertainment, bid on some amazing packages and most importantly supporting our incredible School and Preschool.

As the St. Clare Dragons, and with this actually being The Year of the Dragon, our theme was practically served up to us on a platter. We used this theme to get our class and several other willing volunteers “Fired Up”, which with such an amazing community was not hard to do.

We cannot even touch the surface in thanking all those who worked so hard to support the auction this year in the scope of this letter. Every team has its core that leads them to success, and our experience has been no different. The core of our team was there when we started organizing last year and have been involved week-in and week-out since the beginning of the school year. We want to say a special thank you to all of them, many of whom may have geared up faster than they might have liked to support our expanded online auction. We thank you all from the bottom of our hearts!

We thank the past auction chairs; Jay Booth, Mike Hagel, Crickett Bittner, Collette Rees, Deb Freepons, Laurie Zupsic, past

procurement chair Liz Johnson and jack of all trades from last year Barbara Soule for their guidance and support. We couldn't have done it without you!

We thank our wives, who allowed us the time to dedicate to the auction, on top of work and coaching in our spare time. We know your sacrifice was great and we don't know how we will make it up to you, but we will!

The support of our dedicated volunteers also would not have been possible without the support of their spouses, friends and family who allowed them the time to dedicate to this event.

We thank Father Charles and the rest of the parish staff for their support, all of our donors, several who choose to be anonymous, as well as all of you here tonight. Your generosity is critical for our success!

You will notice a number of new oral packages along with some that you may have just missed out on a year ago, giving you one more chance again this year. Please raise your glasses, along with your paddles, and make this a successful event.

Thank you all!

The Year of the Dragon

Master of Ceremonies Joanie Quinn

Joanie Quinn brings to the St. Clare Auction her achievements as a Hollywood script goddess, an Oregon foster mom, and a Rose Festival Clown. Today she proudly claims her status as a “Stay in the Minivan” St. Clare Mom of four therapy bound kids, ranging in age from toddler to teenager. She spends most of her free time hiding from them, so she would greatly appreciate it if you wouldn’t tell her kids where she is tonight. But you can find her performing locally for Time Out: The Mother of All Comedy Shows, as well as Mom groups, churches, and at Joaniequinn.com or LIVETIRED.net.

We are once again blessed to have Joanie helping with the fun this evening!

White chocolate mocha cake soaked with Kahlua and Café Cubano, filled with chocolate canella mousse, glazed with Oaxacan chocolate ganache then topped with white chocolate dominos! Somebody call Van Morrison.

You will have the ability to grant your class free dress for the day and enjoy a nice quiet lunch with Mrs. Monahan away from the noisy cafeteria. Mrs. Monahan will also be your seat filler in class for part of the day so your teacher doesn't mark you as absent.

C. Reserved Front Row Pew at Christmas Mass

How would you like to stand on the side of the church with your kids and spouse during the heavily-attended Christmas Eve mass? Yeah, we didn't think so. So smarten up: reserve the front pew for you and yours, and on Christmas Eve, sit down, relax, and let the soothing words of the homily flow over you.

D. Reserved Front Row Pew at St. Clare School Christmas Program

The BEST seat is the front pew. Get up close for close-ups of all our children as they perform their hearts out in the annual Christmas Concert. No need to stand in the rain waiting for the doors to open exactly 30 minutes before go time, just to get trampled in the stampede for a good seat. Take your time at dinner and then stroll casually into the Church minutes, even seconds, before showtime. You will feel a bit smug and that's okay. It's for a good cause.

Paddle Bid

The Technological Advantage

This year our targeted paddle bid has been designed to give St. Clare's amazing teachers a technological advantage to help better educate our children. The paddle bid takes our existing SmartBoard technology to the next level, building upon the basic framework to keep our classroom learning dynamic and multisensory, pulling all kinds of learners into lessons in memorable and exciting ways. The paddle bid has been broken into three tiers, which will be filled based on the level of funds raised from your generous support this evening. The tiers break down as follows:

Level 1: Document Cameras and media tables for all of the school's current Smart Boards.

Level 2: Adds a SmartBoard to the Art room (We can't believe there isn't one there already!) and sound bars to existing classroom set-ups. (Trust us, they NEED those sounds bars! Those kids are really good about being quiet during video clips but come on.)

Level 3: Adds tablets (iPad 2 or 3 if available) for each SmartBoard with an app to control the SmartBoard, and the "many millions of other things that one could use it for with students," as Mr. Irlbeck says.
