Celebrating
ST. CLARE
Our Bridge to the Future

Thank You St. Clare!

We cannot thank you enough for supporting the auction. Despite difficult economic times, you have helped the success of this vital event. As you may know, the school and preschool rely heavily on the auction to fund critical programs and provide tuition assistance to those in need. Your purchase of raffle tickets, donations, and attendance do so much, and are greatly appreciated.

Thank you for your generosity!

The Great Raffle Ticket Wrap Up

Want to make a major impact, easy? Sell your raffle tickets.

The numbers are simple: multiply the number of school and preschool families by the number of tickets sold, and you can see how great an impact the raffle can be . . .

260 families x 2 tickets x \$25 = \$13,000

260 families x 3 tickets x \$25 = \$19,500

260 families x 4 tickets x \$25 = \$26,000

Call your aunt, your uncle, your neighbor, your grandparent . . . We need your raffle ticket sales to reach our goals.

Which class will win this year's raffle ticket sales competition?

The auction is nearly one-week away, and we're wrapping up raffle ticket sales with a class competition. The class that sells the most tickets by March 7th will win a free dress day (credit will be given to all raffle ticket sales already turned in). **WE NEED YOUR HELP TO SELL ALL REMAINING TICKETS!**

This is a critical – and easy – revenue source for our auction. ***Please have all ticket sales completed by March 7th.***

NOTE: All unsold raffle tickets need to be turned in by this date (please return them to the office).
